

**Third International Symposium
on Adipobiology and
Adipopharmacology (ISAA)**

October 25 – 27, 2012

Burgas, Bulgaria!

On behalf of the Bulgarian Society for Cell Biology, we would like to respectfully invite you to present your state-of-the-science (SOS) lecture at 3rd ISAA. Before 1 August 2012, please submit your (i) abstract (2 double space pages), and (ii) manuscript (review or research article). These will be published in *Adipobiology* 4, 2012, a copy will be in the registration bag of each participant.

Registration fee (payable *in situ*, in Burgas): 200.– Euros

For Bulgarians: 70.– BGN

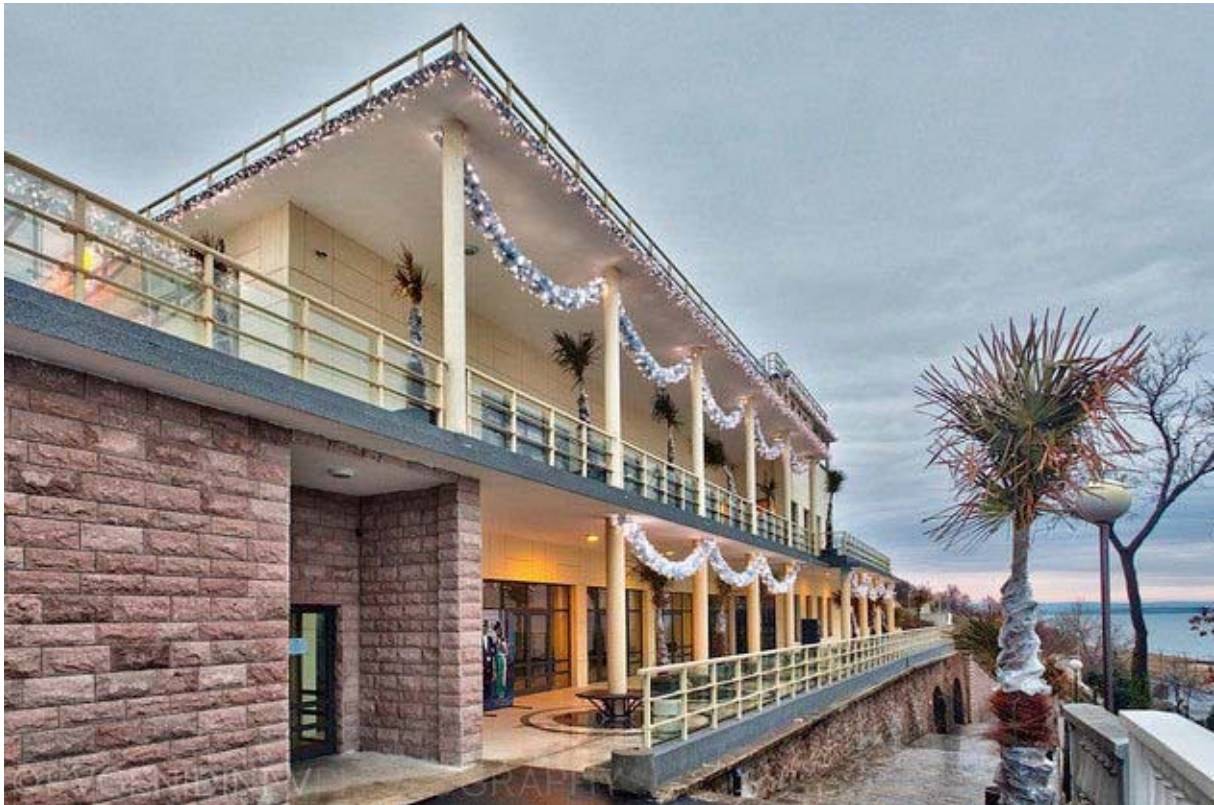

For students: no registration fee.

Registration fee includes (i) participation in all scientific sessions, (ii) Symposium bag including a copy of volume 4, 2012 of *Adipobiology* (an International Journal of Adipose Tissue in Health and Disease) and a book entitled *SOS for Homo Obesus*. (iii) opening reception, (iv) lunch on Friday 26 October and Saturday 27 October, (v) gala dinner on 26 October, (vi) trip to Nessebar, an ancient and unique city along the Black Sea, 40 km North from Burgas, and (vii) closing dinner on 27 October.
